Plan Lifecycle

Active Plans

- Plans for ongoing or future work
- Regularly reviewed and updated
- Located in `plans/`

Archived Plans

- Completed plans
- Superseded plans
- Historical context
- Located in `docs/archive/historical-plans/`

Creating New Plans

When creating a new plan:

1. **Use Clear Naming**: `COMPONENT_FEATURE_PLAN.md`

2. **Include Metadata**:

   - Status (Active/In Progress/Blocked)

   - Purpose

   - Owner

   - Timeline

3. **Structure**:

   - Overview

   - Goals

   - Implementation phases

   - Success criteria

   - Timeline

4. **Update This README**: Add entry to Current Plans section

Archiving Plans

When a plan is completed or superseded:

1. Move to `docs/archive/historical-plans/`

2. Update `docs/archive/historical-plans/README.md`

3. Remove from this README

4. Update any cross-references
